- [Math Path](#)

Want to learn more? Attend an informational session. Workshop details can be found on the [CASA website](#).

## Paid Research Assistantships DEADLINE: February 4, 2024

Are you a STEM or Humanities undergraduate student interested in pursuing a paid research assistantship?

Are you a Perimeter student with no research under your belt, but would love to explore a research opportunity while being mentored during the summer of 2024?

If so, the Center for the Advancement of Students and Alumni (CASA) has paid research opportunities available. **Applications open on November 13, 2023.** The deadline is quickly approaching so be sure to **apply by February 4, 2024, @ 11:59 pm.**

[Apply Here](#)

### Additional Instructions:

[View the application preview](#). Draft your responses to the prompts in a Word document, then log in to the application to copy and paste your short answers and essays.

Applications will not be reviewed if they do not meet the minimum word requirements for each short-answer and essay text box.

For questions, comments, or concerns contact Dr. Sherri Briggs at [SBriggs@gsu.edu](mailto:SBriggs@gsu.edu).
